

# Specialist Guide for GPs

Mater Private Hospital Redland is found in the beautiful surrounds of Cleveland, and has supported bayside locals since 2000. We are Redland's only private hospital facility, delivering a variety of specialist care tailored to the needs of the community.

## About us

Mater Private Hospital Redland's 60 bed facility is made up of a three-level main hospital building incorporating reception, a day procedure unit, two operating theatres and delivery suites, procedure rooms, a dedicated rehabilitation service, cancer care centre, inpatient wards, patient and visitor facilities, a chapel and a café.

Our patients experience hotel-like service, including premium meals and state-of-the-art room entertainment that can cater for every taste.
