

Specialist Guide for GPs

Mater Private Hospital Bundaberg has been caring for the people of Bundaberg and surrounds since 1946. Our 59-bed facility is dedicated to supporting our community to live happy and healthy lives. Complimented by our specialist clinical and nursing staff, delivering personalised healthcare that meets the highest standards.

About us

Our hospital is equipped with four operating theatres, a day surgery unit and offers a full complement of medical specialist services. We also offer an inpatient rehabilitation service and gymnasium—the only private rehabilitation unit available between Rockhampton and Brisbane.

Mater Private Hospital Bundaberg services combine to help Mater offer comprehensive care, meeting the needs of the Bundaberg community.

Our services

Our range of core services combine to offer outstanding clinical care:

- Four operating theatres
- Day surgery unit
- General Medicine
- General Surgery
- Orthopaedics
- Urology
- Inpatient Rehabilitation Service.

Mater Private Hospital Bundaberg offers access to a range of medical, surgical specialists, supported by allied health, nursing and administrative health professionals, to ensure your patients receive exceptional care.

Refer a patient

To refer a patient to Mater Private Hospital Bundaberg, please send a private referral to one of our admitting private specialists.

Notes

Mater hospitals have played a key role in the provision of healthcare in Queensland since 1906.

Across the state, as Queensland's largest not-for-profit healthcare provider, we work with leading private specialists and highly skilled clinical and support staff, to deliver healthcare that supports local community needs.
